

# #CALVINGSEASON2024

Get a full night's sleep when you are on call	Head or leg back	Truck stuck	Not actually in labor	"Oh, she won't get up"
Owner says, "We've been tryin' for hours"	$\geq 2$ heifers/cows calving at same time, same place	>2 cut fetotomy	"We didn't know she could be bred by [insert male bovine relative]."	Uterine prolapse
Save a calf-cicle	Hiplock	YOU ARE A MASTER CALVER!	Outside voice says a word that should stay inside	C-section
Flat tire on truck	Deliver twins	Sunday afternoon nap	Breech or backward calf	Uterine torsion
Heifer chooses violence	Wind >40mph or >4" snow	Vaginal prolapse	"There's something hanging out"	Find the end of the OB wire first try
